North Second Street Median Repairs

Starting Wednesday October 9th, 2013 until Thursday October 10th, 2013 the Ramp connecting Eastbound Whitman Street and Southbound North Second Street will be closed for median repairs on North Second Street. Traffic will be detoured to the Whitman Street Interchange Southbound Sixth Street Ramp to East State Street. There will also be a Southbound lane closure North Second Street between the Whitman Street Interchange and Prairie Street.

Drivers are encouraged to consider alternate routes during the project construction. Drivers are also reminded to obey work zone speed limits and to stay alert for workers, when driving through the construction zone.

The City of Rockford appreciates your patience and cooperation during this project.
